Deadlock Vote By GC Council On Traffic Engineer

10 p.m. Closing Planned

For Coin Car Washes
Summer School Guards

Granite City council members were evenly divided Monday night on hiring a traffic engineer for another year, and the 7-to-7 vote blocked a second try for \$6000 to be included in the new budget for the post. Nine votes were needed.

The council is to meet in a recessed session at 7 p.m. tomorrow for an initial review of the budget for 1967-68, and it is possible the \$6000 item will be resubmitted. Alderman Bartosik and Moerlein were absent Monday night.

In other action, the council voted to hire school crossing guards for three locations during summer school sessions, and also agreed for preparation of an ordinance requiring coin-operated car washes established in the city. A similar order for laundromats also was proposed, but the motion by Alderman Parmley failed to get a second.

An earlier request by the council for a \$6000 budget for a traffic engineer was deferred several weeks ago by the council.

Much Traffic Work Remains

Mayor Partney pointed out the city is only beginning to make headway in improving traffic flow and said more work remains to be done for proper parking restrictions and signaling at major intersections.

The mayor said many cities are becoming involved in laws against free traffic accidents at intersections improperly controlled or marked by signs.

Prime opponent to the \$6000 item was Alderman Bodie, who itemized a list of demands made against the city to block a revision of the one-way street system.

Bodie questioned the need to take a \$1000 cutback last year to \$6000, and was told a more intensive program is under consideration for the new fiscal year. Nonn commented he believed the number of stops signs in the city has increased instead of being reduced.

Alderman Johnson stressed the need for left turn signals at 20th, 23rd and 27th street intersections with Madison Avenue.

Voting for the engineer fee were Rutledge, Whiteman, Johnson, Sternberg, Thompson, Forn and Parmley. Opposed were Nonn, Basarich, Boyd, Dallas, Rutherford, Poole and Goss.

4 Pay Up to \$6

Hiring of school crossing guards at three locations for summer sessions was debated briefly, as Alderman Whiteman proposed an increase in the fee against the city to block a revision of the one-way street system.

Pay Boosts Ok'd For 54 Teachers In Venice District

Salary increases totaling \$82 to \$108 per month over a two-year period, not counting automatic raises, were approved for a Venice school board meeting at a meeting of the Venice board of

education Monday night.

In addition to the pay hikes, the board members also agreed to a teachers' hospitalization plan, an increase from \$9 to \$10 per month for the cost of providing services at athletic events; and implementation of an extra duty pay scale for faculty members sponsoring special after-school activities.

According to Supt. John O. Pier, the salary raises, proposed hospitalization plan and extra duty pay will increase the Venice school district's overall operating expenses by about an additional \$60,000 over the next two years.

Over and above their regular pay, Venice teachers are entitled to receive up to \$100 incentive bonus for perfect attendance during the two semester school year. The Venice school district employs 54 faculty members.

Details of the hospitalization benefit proposal agreed on by the school board and American Federation of Teachers Local 606 have yet to be completed, Supt. Pier said.

Bids currently are being solicited from insurance agencies to determine the cost of the plan.

Under the new contract, a first year teacher with a bachelor degree currently receiving \$88 per month will be paid \$93 per month in 1966-67 and \$97 per month in 1967-68. A second year teacher with a master degree whose present salary is \$96 per month will receive \$99 in 1966-67 and \$101 in 1967-68. The present salary schedule,

2 to Resign from GC School Board; Appointments Likely

Two members of the Granite City school board plan to resign this summer. Vacancies are likely to be filled by appointment by the remaining members of the board.

Daniel L. Federer of Granite City, who is a member of the "men's" and boys' clothing stores, told the Press-Record yesterday that he plans to resign from the board effective June 30, next month.

Federer was elected to the board in 1964 and his term will expire next April.

A member of the board for four years and two months, having been elected to three-year terms in April 1962 and April 1964, Federer served as president in 1964-65. During his presidency, Russell D. Johnson was named superintendent and a major construction bond issue and tax rate proposal was approved by voters.

Cited Federer's poor health in briefly reviewing school progress. Linder noted that the next major school need will be planning for additional buildings to handle population growth.

Robert Crider, a former McDonnell Aircraft employee now working in the Midwest, will move his family from Mitchell to the Herrin area. Exact timing of the move and his return to the Granite City area has not yet been decided, he was learned yesterday. He was returning here for some of the board meetings.

Crider was elected to the board in 1964 and his term will expire next April.

Three Posts Next April

If the board fills the one-year rural/post and Linder's urban position, both are expected to be filled in the April 1967 election along with one other vacant position.

This would result in next year's ballot including a three-year urban term, a one-year unexpired term and a three-year rural term.

Board President Monroe Worthen told the Press-Record yesterday that suggestions on possible appointments to the board have been received, but no decisions have been reached; that he is ill and cannot be reached.

Worthen said he would favor selection of qualified appointees from among the five layholder members in the interest of encouraging an effective and harmonious board.

Chairman Thomas Boles has announced that a request is being made to the city council for funding to the city for a qualified environmental services program.

Mr. P. A. R. E. announced today that paving the initial section of the Newbold road improvement project should be started about June 15 and all paving completed near the end of September.

Weather permitting, he added, all shoulder grading and sidewalk work should be done about Oct. 15. The sewer installation presently is 90% completed.

Chairman Thomas Boles has announced that a request is being made to the city council for funding to the city for a qualified environmental services program.

Mr. P. A. R. E. Helscher of Washington University, who is working on the local board, agreed to accept the post of environmental services program. The board furnishes an office with a staff. This request also is to be referred to the city council.

City Needs Staff To Get State Clean Air Exemption

Granite City will not be exempt from state air pollution controls until such time as the city has a day-to-day operating staff.

Police Control of the city's pollution was the news last night from Robert French, engineer for the Illinois Air Pollution Control board.

French told the city commissioners that the Granite City board is not yet qualified as an enforcement agency to be eligible for an exemption, and he denied the city's request.

Lake M. B. T. Levent

reviewing the city's control ordinance. French said it provides a base for industrial operations, "but may possibly be too strict." He added that the enforcement plan, which is being developed, is not yet complete.

French demonstrated to federal air quality standards, and that the city would be able to meet the standards.

Levent said the city's pollution control board will issue a set of emission standards in July for oil and gas operations.

The local board is continuing to study air pollution control programs being submitted by local businesses and industries. A report will be given in the near future.

Chairman Thomas Boles has announced that a request is being made to the city council for funding to the city for a qualified environmental services program.

Mr. P. A. R. E. Helscher of Washington University, who is working on the local board, agreed to accept the post of environmental services program. The board furnishes an office with a staff. This request also is to be referred to the city council.

Boy, 11, is Killed As Auto Strikes Tree in Madison

Driver, Only 14, and
3 Other Youths Hurt;
Auto Catches Fire

An automobile driven by a 14-year-old boy and apparently traveling at a high rate of speed crashed into a tree at 2063 Rhodes street, Madison, about 11:45 p.m. Monday night, fatal, injuring Dennis Lee Manion, 11.

Three other boys, including the driver, were injured. One of them is in critical condition. All three boys in the car were 11 to 14 years old.

The Manion boy, 1023 Cambridge Avenue, and Dennis Manion, 1023 Cambridge Avenue, were admitted to St. Elizabeth Hospital and then transferred to St. Louis Children's Hospital, where he was pronounced dead on arrival at 8:30 p.m.

The injured are Michael Redman, 14, son of Mr. and Mrs. James Redman, 2040 Beckwith street, severe contusions and cuts to his head and face; and reported in critical condition at Children's Hospital. Michael Redman, 13, brother of Michael, suffered abrasions.

Michael Redman was released from St. Elizabeth Hospital.

The police chase was started by Ven-

erines reported Dennis Redman avoided more serious injuries by leaping from the car as it swerved to a wide curve and hit a tree, breaking his leg, just before it struck the tree. Michael Redman underwent major plastic surgery to his face at Children's Hospital Tuesday night.

Lake M. B. T. Levent, 10, was released at 8 p.m. as the car, headed west, was unable to stop.

Turned by the fence, the car traveled northward, tearing down about 20 feet of the fencing before it struck the tree.

Mrs. Bridges was an eye witness to the crash and ran to reach the car. She said she was standing in the yard of her home at the time the car struck the tree, crumpling the entire front of the car.

The police car followed the car and the chase headed over McKinley bridge into St. Louis.

The police officers radioed ahead to St. Louis police.

Pulled to Curb

At Tenth and Salisbury in St. Louis, the truck pulled toward the curb as if stopping. The stop sign was almost to a

"As I reached the car it caught fire in the motor. I think it was around the carburetor. I'm sure those boys would have been killed if the car had not been stopped," said Robert Jarrett (who lives directly across the street from Mr. and Mrs. Bridges). Mr. Jarrett ran over with a fire extinguisher and was able to get the fire out after it started.

Other neighbors, meanwhile, had called the Madison fire department which sent two pieces of equipment to the scene.

Staff Sought for
On-Job Training
Program in Area

The Economic Opportunity Commission of Madison and St. Clair counties will accept applications for those interested in applying for staff employment with the forthcoming On-The-Job Training Project (OJT).

OJT will be financed by the U. S. Department of Labor under the Manpower Development Training Act and will be sponsored locally by the commissions and the city of Granite City. David Walker, assistant Madison county director in charge of the local office, told the Press-Record.

Five hundred youths and adults, mostly from the two counties, who are unemployed or underemployed, are to be given on-the-job training under this plan. They will be paid while participating.

Advisory Board Created

An OJT advisory board has been created by the two anti-poverty agencies to give overall supervision to the new work-training project. The board is now seeking key staff personnel for the project.

The board will be a project director, who will direct the overall bi-county OJT program. He should have a minimum of five years of practical high-level administrative experience, working in industry, labor relations, government, welfare, education, etc.

Special stress is placed on previous successful leadership experience working with people. Maximum salary may be up to \$12,000 a year, depending on training and experience.

Four Assistant Directors

Four assistants to the project director also will be selected. Two of these will be from Madison county and the other two from St. Clair county.

Qualifications for the four assistant directors will be somewhat similar to the project director with the exception of five years of previous work experience. Maximum salary ranges are up \$8500, depending on training and experience.

College training is desired, but applicants basically must have sufficient formal education and training to meet professional leadership requirements in a \$20,000 federally-supervised work-training program.

Part of Poverty War

OJT professional staff members must be persons of good character, able to furnish previous work and education records and to demonstrate the possess the temperament and personality to relate to the public and OJT trainees. Staff members should be sympathetic to the war on poverty in general and have personal experience in the persons served, many of whom will be poor, disadvantaged and often the victims of discrimination," Walker commented.

He emphasized that on-the-job trainees and workers are not being sought at this time, but rather the staff to handle them.

Staff members are to possess the community relations skills to work closely with various facets of the community, both large and small. Industry, labor unions and the general public. Much of their technical operation will be coordinated by the Bureau of Apprenticeship and Training.

Madison County Members

Members of the advisory board from Madison county are Louis G. Rupp, State Employment Service, Alton; Robert McCormick, Alton; John J. O'Connell, Tri-City Trades and Labor Council; William F. Hoelscher, manager, Manufacturers Association of the Tri-Cities; Neil Clemons, Belvidere school director; and Joseph N. Berry, NAACP president, Alton.

Board members from St. Clair county are Msgr. Laurence O'Connell, diocese of Belleville; John Kinnick, president, Louis H. Human Relations Commission; William W. Johnston, AFL-CIO representative of the East St. Louis United Fund; Ronald Steele, East St. Louis Chamber of Commerce; Dan Owens, East St. Louis NAACP president; EOC directors are Maurice Harris, Madison county, and J. Phillip Waring, St. Clair county.

GC Bus Driver Robbed
Again in St. Louis

James E. Lockhart, Bi-State Transit bus driver from Granite City, was robbed of \$126 Monday in the 5700 block of Roosevelt avenue, St. Louis.

It was the second time he was the victim of a robber while on duty on the same side, the first occurring about a year ago.

Lockhart, 57, of 2449 St. Clair avenue, told police a man on the bus presented a \$10 bill to him and asked him to change it. Lockhart took his money from a pocket to make change, the robber demanded all of it, holding his right hand in a pocket as though he had a gun.

The robber took the money, left the bus and got into a red and white auto which Lockhart said had been following the bus.

SIU-SW to Confer 557 Degrees Saturday Night

Thirty-seven Quad-City students' degrees are among 557 to receive Johnston, Chester A. MacMillan, degrees to be conferred by Southern Illinois University's Southwestern Illinois College commencement exercises at 7 p.m. Saturday at the outdoor amphitheater on the campus.

Delyte W. Morris, SIU president, will deliver the commencement address, and Dr. Robert W. MacVicar, vice-president for academic affairs, will present candidates for the baccalaureate degree and award the diplomas.

Candidates for the associate degree will be presented by Dean Ernest J. Simon, and those for the master's degree by Dean William Simeone.

Dr. Bruce Brubaker, head of the university's division of commencement arrangements.

The program will begin with a short concert by the SIU Deemers.

In case of inclement weather, the graduation exercises will be postponed one hour to 8 p.m. and will be moved indoors to the Edwardsville senior high school.

5 GC Students Awarded St. Louis U. Degrees

Five Granite City students who earned 168 will be awarded degrees at St. Louis University commencement exercises Saturday.

Very Rev. Paul C. DeMoff, president, presided at the commencement at Kiel auditorium. Dr. John C. Weaver, vice-president of Ohio State University and president-elect of the University of Missouri, presided at the commencement address.

The local graduates are James F. Theberge, 3320 Terrace lane, junior; Ingrid E. Bauer, 8800 State street, bachelor of arts; Stephen R. Knoll, 2324 State street, bachelor of science; Lucy K. Plese, 2730 Grand avenue, bachelor of science; and Michael W. Vasiloff, 2818 State street, bachelor of science.

Soph. Jr. Report Cards Being Mailed from GCHS

Report cards for Granite City high school sophomores and junior class members are being mailed to the individual student's home address. The announcement was made today by Lawrence McCauley, principal.

In line with a policy started last year, academic standing, grade and class averages, cumulative records and five-year scores for the entire 1965-66 school year are included on the report cards. Assistant Principal Thomas Noeth also pointed out that a special area on the card denotes the student's accumulated graduation credits. A total of 18 credits is required for graduation, he added.

Heated Campaigns for Democratic Nominations Sparking Next Tuesday's First June Primary

Three hotly-contested races — all on the Democratic ticket at the county level — will highlight ballot in next Tuesday's off-year primary election.

The Republicans have no contests in bids for county offices and none in the representative or congressional districts. There is no Republican candidate for state office. A limited amount of space is provided for this office.

Polling places will be open at 6 a.m. and close at 6 p.m. Quadruple voters will ballot in 32 precincts in Granite City, 11 in Venetia township, and seven in Nameoki township.

Spearheading the Democratic contests, which in all instances stand opposition to the Madison-Venetia machine, is a new organization — the nomination of sheriff. Almost equally bitter battles have been fought for nomination of county treasurer and county superintendent of schools.

Fight for Sheriff
Nomination as sheriff is being sought by George Musso, county treasurer for the past four years, who has the endorsement of the Madison-Venetia machine; Louis Bowman, former captain and chief of police; and independent sheriff Barney Fenderer, and Frank Harris, Granite City policeman on leave of absence for the primary campaign.

The other two major battles involve contests for county treasurer, county superintendent and a superintendent of schools. The Madison-Venetia machine candidates are opposed in both races.

The Democratic nominating as treasurer is being sought by Stephen B. Kennedy, Alton, who is making his first bid for public office, John Maeras, administrative circuit clerk and brother of Madison Mayor Maeras, and Pete Perica, Alton, a former alderman and precinct committeeman. Kennedy and Perica also are county board members. Incumbent County School Supt. William G. Shaver has seen renomination again. Russell G. Shaver, a teacher at junior and senior high school levels and a former assistant county superintendent.

Bowman, 33, lives in Alton. He is married and has four children. Bowman is a member of the Christian Church, Masonic Lodge, Eagles, Granite City Police Association and a member of the National Sheriff's Association. He is a member of the executive board and past president of the Illinois State Police Officers' Association, past president of the Madison County Police Association and a member of the Alton YMCA. He is a military veteran, a graduate of Alton high school and various police schools, training courses and institutes.

Harris for Sheriff

Harris, 36, of 2828 Grand Avenue is on leave from the Granite City police force for the campaign. He is an investigator for the Greater St. Louis Metro Squad. He was appointed five years ago and struck by a shotgun blast while answering a call to a family disturbance.

He is a graduate of Granite City high school and attended the University of Illinois Police Institute and the National Corvette School for the investigation of Homicides, Suicides and Accidental Deaths. He served in the

tenant under Trimpie. Shaver is backed by the Democratic organization through endorsement of the Democratic county central committee.

The fight for the sheriff's nomination has taken top position in campaign activities, emphasizing the long-standing dispute between Fraundorf and the Madison-Venetia machine. Bowman was still employed by the sheriff's office when he ran among the first to file as an opponent to the Democratic organization.

Musso Former Sheriff

Musso, 59, who lives in Edgewater, served as sheriff of Madison county from 1959 to 1962 when he was elected treasurer to a four-year term now ending. He is a member of the executive board and past president of the Illinois State Police Officers' Association, past president of the Madison County Police Association and a member of the National Sheriff's Association. He is a member of the executive board and past president of the Alton YMCA. He is a military veteran, a graduate of Alton high school and various police schools, training courses and institutes.

Harris for Sheriff

Harris, 36, of 2828 Grand Avenue is on leave from the Granite City police force for the campaign. He is an investigator for the Greater St. Louis Metro Squad. He was appointed five years ago and struck by a shotgun blast while answering a call to a family disturbance.

He is a graduate of Granite City high school and attended the University of Illinois Police Institute and the National Corvette School for the investigation of Homicides, Suicides and Accidental Deaths. He served in the

Navy from 1951 to 1955 aboard seaplane tender and an aircraft carrier in the Pacific.

Harris is married and has three children. He is a native of Granite City and a member of the National Shrine of the Most Precious Blood, Catholic Church, Masonic Lodge #333, Scottish Rite Bodies and the Ainaid Shrine. It is the first time he has sought public office. He is a property manager, trained special agent in each heavily populated, unincorporated areas of the county, such as Stullings, Mitchell, State Park and Granite City. They are trained through county and state seminars and will be residents of the area they are to serve.

"They will be volunteers and there will be two or three in each town. They will handle everything but traffic," Harris said.

Treasurer Race

In the county treasurer's race both candidates have held public office for reasonably long terms. Kennedy, 59, has been an Alton supervisor since 1953. He was elected alderman in Alton in 1951 and supervisor in 1953 but was defeated as a candidate for precinct committeeman in 1964.

county government for the past 14 years. Prior to his appointment to the circuit clerk's office he was chief deputy probate clerk.

He was an unsuccessful candidate for sheriff in 1958. He is a native of Alton, a graduate of Alton High School, and a member of the St. Bartholomew Episcopal Church and is a past president of the Alton Lions Club.

In the Democratic race for nomination, as county school superintendent, he is seeking his third four-year term.

The principal issue involved in this fight is that Trimpie, who formerly received endorsement of the county political organization, is seeking renomination for election in this year's Democratic primary.

Candidate for Treasurer

Pete F. Fuchs, 39, of Alton, is unopposed Republican candidate for county treasurer. He is president of the Illinois Credit and Advisory Council and is seeking renomination for election in this year's Democratic primary.

Miss Eulalia Hotz, incumbent Madison county clerk, is seeking renomination for election in this year's Democratic primary.

Miss Hotz, 37, lives in Edgewater and is seeking renomination for election in this year's Democratic primary.

He was employed in industry prior to entering business for himself in 1958. Fuchs attended Alton high school and Washington University. He is a member of the Rotary Club, past president of the Alton Junior Chamber of Commerce, a Junior Chamber International senator, a member of the Alton Businessmen's Association and the Alton Association of Commerce.

Seeking nomination as county school superintendent is James M. Bailey, 51, of Alton, an assistant superintendent of Alton school system. He has been in education 27 years as a teacher and school administrator. He is serving his second consecutive term as alderman of Alton's Fifth Ward.

He is president of the Madison County Economic Opportunity Commission, vice-president of the Metro-East Urban League, secretary of the Alton Lions Club, a member of professional fraternities Phi Delta Kappa, Kappa Delta Pi and Omega Psi Phi.

His Republican allies are without a candidate for county clerk, with write-in space provided for this office.

Geaslin Enroute to Vietnam For Assignment in Saigon

MRS. RUTH A. TEDES
CO, 1419 Washington avenue, who has been awarded the Department of the Army Outstanding Civilian Employee Rating. Certificate for her performance of duty as administrative assistant to the chief, general freight division in St. Louis.

JACK GEASLIN

A foreign service career that has spanned 17 years is taking a Marine to Vietnam where he will be in the Consulate either in Saigon or assigned to Hue, where the U.S. State Department building recently was sacked and burned.

Geaslin, who has been married for nearly several years, is not taking his family with him all the way to Vietnam. His wife, the former Marjorie Ruth Kaseberg, was with him on a tour of duty in Europe, and both of their children were born in Germany. Jeffrey, 12, is in Frankfort, and Gabrielle, 9, in Berlin.

Geaslin, who have been visiting his parents, Mr. and Mrs. Homer Taylor, 2449 Ralph street, and his family, the T. C. and Howard Kaseberg, of Rural Route 1, are enroute to San Francisco and will depart from there for Manila in the Philippines, where Mrs. Geaslin and the children will stay while Geaslin goes on to Vietnam.

"I'll have time to get the family settled, before I go to Saigon," Geaslin, a former Press-Record employee, commented. His present assignment in Vietnam has not been disclosed.

Political Officer

In Hamburg, Germany, his last assignment abroad, he was political officer in the consulate with diplomatic status as liaison with German officials.

Geaslin and family returned to Granite City in May, and the past week was spent by Geaslin in Washington for conference at the State Department. He is now in Saigon by June 30.

Actually, his tour of foreign service began in the 1940s when he was in an Army unit in Germany, and he returned to the Army in 1945. Upon his return, he enrolled at Washington University and was graduated in 1949.

Charles Strackeljahn, son of Granite City's Charles Strackeljahn, was baptized at the Evangelical United Church of Christ in Highland by Pastor Victor H. Schoen Sunday. The sponsor was Mr. and Mrs. Charles Kennedy of Granite City.

Charles Strackeljahn is formerly of Granite City. After the ceremony, dinner was served at the Strackeljahn home to Mr. and Mrs. Kennedy and children, O. H. and Linda, and the grandparents, Mr. and Mrs. Cleatus Hug of Highland, and Carl Alan, Julie Ann and Jay Strackeljahn.

Nurse Education Program

The monthly Continuing Education Program for nurses will be held at the Wittenberg in the hospital's Tri-Cor Building meeting room at 7:30 p.m. The speaker will be Dr. F. Patrick Lamb, a chest surgeon. All nurses and students are invited.

educated at international schools on the British system, speak German.

In Europe, they traveled extensively, mostly to the south in Italy, Spain, and southern France to get away from the chilly, damp weather at Hamburg, a major port.

Geaslin said his duties of liaison between American and German officials were more or less routine in nature, but there was a definite step-up in the contacts when summer tourists from the U.S. arrived in Hamburg to find employment, usually found it," he added.

"Germany is booming — just like here in Granite City," Geaslin noted. He said an offshoot of the new Nazi party is becoming more noticeable and gathered about 99% of the jazz vote in Germany.

"Mostly, it's made up of disgruntled individuals — small merchants or businessmen who have been bypassed by supermarkets and big industry."

He added that if the economy of Germany was on the skids and it was in the 1920s, it would probably be the same in the 1940s.

While in Germany, the family lived on German economy, but their home was arranged through an exchange, since the U.S. government has surplus areas of Germany.

Geaslin and his wife — they were married in 1949 — left Germany, where he did graduate work in political science and economics, and then they went to Germany where he was employed as a writer for the U.S. Army at Frankfurt and Berlin.

2 Years in Washington

They remained there until 1959, when the family went to Washington for two years and Geaslin took a post with the State Department in 1961. He was assigned for two tours of duty at Hamburg.

Geaslin and his wife both speak French and German, and the youngsters, who have been

shirking responsibilities can make democracy less balanced.

Area's Traffic Toll Climbs During May

Traffic accidents continued to increase sharply during May as 200 mishaps were reported on Granite City area streets and highways. There were no traffic fatalities during the month.

There were 52 more accidents during the month than during May of the year when 167 were reported, and injuries jumped by 43 from the 92 marks a year ago. Two traffic deaths were reported in the same month of 1965.

The May toll was 15 higher than April's 14, and injuries dropped by seven, and four persons were killed in traffic in April.

During the first five months of the year, a total of 1007 accidents with 569 injuries and 12 traffic deaths have mounted, compared to 940, 411 and 13 figures for the same period in 1965.

The accident rate has climbed to about 50 a week, with an average of 30 occurring during weekends. A year ago the average was about 37 a week.

The continued increase is causing alarm among members of the Quad-City Safety Council who continue to caution motorists, especially weekend drivers.

The driver who concentrates on the road, and not the traffic around him and traffic control signs, instead of the surrounding countryside and the kids in the back seat is most likely to arrive home safely, the council points out.

A long drive, even on today's flat, high-speed roadways, can pull a driver into a false sense of security. There is such a thing as relaxing too much behind the wheel.

Stop to Relax

To avoid this over-relaxed feeling, which often leads to inattentiveness, the council advises motorists to stop every two or

three hours for a few minutes to rest and to stretch, to reach a destination, and to wear and two fatalities; and March saw both not only for their 194 accidents, 87 injuries and four fatalities.

Mr. and Mrs. Schroeder
Are Parents of Son

Mr. and Mrs. E. M. Schroeder, 2723 Harvey place, are announcing the birth of their second child, a son Saturday at Jewish Hospital, St. Louis. The newborn weighs nine pounds and four ounces and is half a month old. His name has not been named, but he is the son of Neil Thomas.

His older child is Deidra Anne, three years.

Godparents are Mr. and

Mr. Albert Thomas and

Mr. and Mrs. E. M. Schroeder, all of Granite City. The mother is the former Miss Ruth Thomas.

Comdr. John Barron
Representing Governor

Comdr. John Barron, manager of the Tri-City Regional Port district, and three members of the Side Channel and Sanitary districts, are attending meetings in Washington, D. C., this week of the annual National Rivers and Harbors Conference.

Barron is also attending the conference which will continue through Friday.

Joseph Grant, Granite City

member of the levee board, left this week by train, and will be "Mike" Ebersold, Venice city clerk and levee board member, to Washington to participate in the meetings. Morris Campbell, East St. Louis levee board member, also will be there.

Barron is attending the meetings as official representative of the office of Gov. Otto Kerner.

Ebersold said the levee board

group plans to meet with several Washington area congressmen to discuss the possibility of federal grants in event of development of a hillside drainage project in this area.

Venice 'Head Start'
Enrollment Wednesday

Parents of Venice pre-kindergarten pupils are being reminded to register their children Wednesday for "Project Head Start." Supt. John O. Pier said today that children are to be enrolled from 9 a.m. to noon and 1 and 3 p.m. Wednesday, at the main office, halfway between the Venice grade and high school buildings.

To be eligible, a child must not have attended school, but must be qualified to enter kindergarten next year. Specialty training elementary school teachers will be provided to instruct the program. Pier said, with youngsters to attend classes three hours a day, Monday through Friday, for a seven-week period. Starting date for the program has not yet been set.

The teachers selected for the pre-kindergarten training service are Mrs. Anna King, supervisor, Mrs. Matthea Richards, Miss Clara Belle Ryerson and Miss Sime Reeves. "Head Start" classes are limited to 15 children per class. Tuition is \$100, to be formed for Venice youngsters.

During the program, medical examinations are given, and children experience educational field trips, including special events. Financed with federal funds, administered through the Madison County Economic Opportunity Commission, "Head Start" is designed to provide preschool experiences which will better enhance success in their early educational endeavors.

Registrations for similar programs in Granite City and Marion schools have not yet been set by the director, Richard Spillers of Madison and Raymond Jones, Granite City.

GC Tax Bills Go In Mail Friday

Collection of Granite City taxes will get underway Monday in the office of City Treasurer, and will continue through Aug. 15. "Pat" Rich, city treasurer, announced today. The collection period will provide 50 collection days, same as in past years.

Rich said bills to Granite City residents will be mailed over three different periods about two days apart, beginning Friday. Intervals between mailing of bills prevents an overwhelming rush the first few days of collection, Rich explained.

Granite City taxpayers are charged with payment of \$6,436,526 in 1965 tax collectable this year, compared to a total of \$6,079,000 in 1964 taxes collected last year.

Rich urged payment of tax bills at the Granite City office since the treasurer's office receives no compensation for taxes paid during the local collection period. After tax books are Sept. 1, commissions on all property must be paid to the county treasurer.

Collection of Namecreek township taxes began Friday. Payments may be made at the Granite City Trust & Savings bank during business hours.

Frank Reiderberger, town collector for Venice township, said collections will start Sunday, June 15. Reiderberger, tenant in a city, Miss Janet Grega and Mrs. Sylvia Slifka, both of Livingston; Mrs. Colleen Kleinkin of Green ville, and Miss Diane Reiter of Edwardsville.

Granite City tax collection has been under way since May 9 by Collector Charles Lexow Jr.

Practical Nurse Class Is Training Here

A group of six new student practical nurses is undergoing clinical experience at St. Elizabeth Hospital, from the F. W. Olin Vocational School of Practical Nursing at Alton. Miss Ruth Ann Drue of the hospital's education department is the instructor.

Members of the class are Mrs. Snyder, Mrs. John Glenn, 3888 John Glenn drive; Miss Leslie Fricker, 3188 Brackett, Myrtle avenue, both of Granite City; Miss Janet Grega and Mrs. Sylvia Slifka, both of Livingston; Mrs. Colleen Kleinkin of Green ville, and Miss Diane Reiter of Edwardsville.

6 GC Teachers Attending 'Head Start' Orientation Seminar

Six Granite City teachers are among those attending "Project Head Start" orientation seminar at Purdue University this week.

Announcement that Madison county teachers and administrators will take part in the pre-school training program were to participate in the five-day out-of-state seminar was learned by the county project director, Raymond Ready of Alton.

Those attending the seminar, which began Monday, included Mrs. Beulah Mull; Mrs. Angie Mathis; Mrs. Emma Lou Boyer; Mrs. Mildred Starkey; Mrs. J. Alice Raphael; Mrs. Beatrice Smith; Mrs. Richard Spillers, Madison-Venice head start director, together with members of his staff, also are to attend the course.

Extend Study of Nuclear Fuel for Electric Power

Illinois Power Co. this week announced it has extended its participation in a research program aimed at further reducing the cost of atomic power.

The company will join 20 other investor-owned electric utilities in sponsoring a two-year extension of a program of research and development of nuclear fuel.

The project has been under way since early 1964 at the General Atomics Division of General Dynamics, San Diego, Calif.

The program will be conducted with the objective of new technology that will extend the efficiency and further reduce costs of nuclear fuel used in a high temperature, high pressure reactor.

Development work prior to the extended program has resulted in fuel particles with multiple coatings which point to reduced capital requirements for high temperature, high efficiency nuclear power plants, and simplified fuel fabrication processes.

Other Illinois electric utilities participating in the project are

Big Demand for Park's Muny Opera Bus Seats

Requests for ticket reservations for the 1966 St. Louis Municipal Opera, currently sponsored by the Granite City Park district, have increased considerably this week, reports Harold Brown, park superintendent.

Due to the high initial demand, more official tickets have been obtained for five Muny Opera productions, including 24 extra seats for next Tuesday's performance of "The Music Man." The 45 seats on the open-air, air-conditioned bus also have been acquired for "The Desert Song" on July 5; "Can Can," July 12; "Oklahoma," July 15; and "Hello, Dolly" on Aug. 2.

Reservations for "Oklahoma" and "Hello, Dolly" previously were sold out. Brown said the 150 seats for the 10 passengers of Isabella have chartered an entire bus for the July 26 performance. All reservations are made on a round-trip basis from Wilson Park.

Army Offers Engineers Commission of Captain

The chief of engineers has announced that the Corps of Engineers is offering commissions in the grade of captain to college graduates who have five years of experience in the construction industry or allied engineering fields.

To qualify, an applicant must be a college graduate, but it is not necessary that he have an engineering degree. There will be no restrictions on the type of college degree the applicant must have if his experience is in construction. One of the specialized fields of engineering in which year of graduate study in the specialized field would count as a year of experience.

The appointment would be in the U. S. Army Reserves and each applicant accepted, 26 years old and under, would obligate himself to two years active duty, including an engineer officer orientation course at Fort Belvoir. You will also have one year reserve, and one year standby reserve. Those 27 years old or over will incur only the two years active duty.

Qualified college graduates may obtain assistance and application forms at the nearest U. S. Army reserve training unit or center.

Venice Girl Wins 1st
In District Contest

Bette Townsend, 1227 Klein street, Venice, won first place in an essay contest conducted at a district meeting of the American Legion Auxiliary at Waterloo, it was announced this week by Mrs. Alice Douglass, essay chairman for Venice-Madison Auxiliary Unit 307.

The girl, daughter of Mr. and Mrs. Lee Townsend, wrote on how and why I respect the American Flag. The prize in the seventh and eighth grade class. There were 16 units and 1308 entries in the contest, which also had classes for ninth and 10th graders and for 11th and 12th graders.

She read her essay to about 200 auxiliary members at the meeting and received a \$5 award. It is the first to stand.

The Townsend girl was valedictorian of her eighth grade class at Venice grade school last month and won the American Legion medal.

Handicapped Children Attend Summer Camp

Illinois school children and handicapped youngsters signed up for Southern Illinois University's 12th annual camping program at Little Grassy lake to attend the session.

In addition to such recreation staple as swimming, horseback riding and cooking, the campers will make their own rifle holes for muzzle-loaded rifle practice; stalk the woods with bow and arrow on a new archery course, and get the benefit of a special physical fitness program stressing camp exercise.

The fitness laboratory will be run for the handicapped group by James Bender, head of SIU's applied physiology laboratory. All campers will eat catered to the range of fitness exercise and routines that can be performed by the mentally retarded and tots with physical handicaps.

William Price, coordinator of the Little Grassy facility, said older campers will be permitted to use the muzzle-loaders—modern replicas of the frontier piece.

They will cast their own ammunition for use on the supervised target range.

SIU Alumni Association To Observe Anniversary

The Southern Illinois University Alumni Association, which has zoomed to a membership of more than 10,000, will celebrate its 25th anniversary when hundreds of alumni gather on the campus.

Highlights include the honoring of five persons with the alumni achievement awards and the naming of the Great Teacher of 1966.

Achievement awards for outstanding work in their fields will be given to: Dr. Kenneth D. Diering, president of the Gothic Baptist Theological Seminary, Mill Valley, Calif.; Virginia Lee Marmaduke, ex-'33, newspaperwoman, broadcast and public relations specialist, now living near Pinckneyville; and Curtis W. Smith '40, manager of research and development, Industrial Chemicals Division, Shell Chemical Co., Inc., Houston.

Receiving the award for service to the University and the alumni association will be Norman W. Beck, Waterman professor of education, and a member of the Educational Council of 100 Inc., and a staunch supporter of the University and its programs of education, and John Page Weller '22, attorney and author, who died Saturday evening.

Winnebago, the Great Teacher Award, which includes a check for \$1000, will not be awarded this year. The award was given Saturday evening, E. C. Coleman professor of English, was last year's winner.

59th Wedding Anniversaryary

A lawn picnic was given this week at the home of Mr. and Mrs. Herman Hemken, 2109 Lee avenue, in observance of the 59th wedding anniversary of the host couple. Members of the immediate family were present.

Mr. and Mrs. Hemken were married in the First Lutheran Church, Granite City, which was recently razed at 20th street and Grand avenue. Mr. Hemken, 85, was employed as a crane man in the Granite City Steel Co. open hearth department for 14 years prior to his retirement 14 years ago. His wife is 77 years old.

Present for the picnic were the couple's son and daughter-in-law, Mr. and Mrs. Bill Hemken, their son and daughter, Dennis and Dorothy Rock and James R. and LaVerne Parker, and grandsons, Jerry Rock and Billy Hemken. The couple also has another grandchild and four great-grandchildren.

MISS CONNIE GADWELL

GIVEN BY PIANO STUDENTS

The fifth annual recital, performed by piano students of Mrs. Ortanza MacDonald, was given this week in the fellowship hall of St. Peter United Church of Christ, where the musical presentations, special awards were made to honor students, with the top award presented to Ronald Watson.

Other pupils receiving awards included Nancy McKinney, who played "Ponies Parade"; Dennis Gillie, "From Puritan Days"; Erie Mills, "

Midyear Crop, Livestock
Surveys Planned by State

Illinois farmers will be contacted soon for crop and livestock information. The midyear crop and livestock surveys are conducted by the Illinois Department of Agriculture's Division of Agricultural Statistics in cooperation with U.S.D.A.'s Statistical Reporting Service (Illinois Cooperative Crop Reporting Service).

Two thousand Illinois farmers will be visited and approximately 9000 farmer respondents will report crop and livestock by mail. Robert H. Moats, division superintendent, said.

Nestle's Employees Get
Cash Anniversary Gifts

Employees of the Granite City Nestle plant are among the 5000 Nestle Co. workers in this country who are to receive \$100 cash gifts during June in connection with the 100th anniversary observance of the International Nestle group.

In a letter to Granite City Nestle employees, Hans J. Wolfliberg, president of the Nestle Co., Inc., American member of the worldwide food producing group, expressed gratitude for their personal role in making the company a leader in its field.

Women Sue Over Fall

Maria Kuehner of Granite City has filed suit for \$10,000 for injuries alleged in a fall at the Fred Fahner Service station, 2800 Nameoki road. Fahner is the defendant. The complaint alleges metal lids or covers used to lock oil display cases caused her to fall.

Mexican Commission
Honors Founder

Guillermo R. Oropesa of Aucascalientes, Aguas, Mexico, a former local resident who organized the Granite City Mexican Honorary Commission in 1926, was honored this week with the presentation of a plaque and gift during a dinner at the Rose Room restaurant.

The honoree left yesterday for his home after spending several weeks in this area visiting friends and relatives.

After a stay in Granite City in 1951, Mr. Oropesa remained here until he retired from Laclede Steel Co., Alton in 1961. During his visit, he attended the commission's 40th anniversary dinner at the Lincoln Hotel, May 26. He is the Hungarian Home, where he presented the Mexican by a relative, Margarita Ruesco, also from Aucascalientes.

Those honoring Oropesa at the dinner, included Mr. and Mrs. Otilio Valencia Jr., Mr. and Mrs. Louis Beccari, Mr. and Mrs. Alvaro Vazquez, Mr. and Mrs. Nesto Sendjias, Mr. and Mrs. Joseph Beccera, Mr. and Mrs. Steve Ortiz, all of Granite City, and the honored guest's nephew and niece, Mr. and Mrs. Jack Barton of Maryville.

Steelworkers Graduate 40 From Shop Steward Class

United Steelworkers of America honored 40 shop stewards of Local 1022 at a graduation banquet in East Alton, which was the final event in a six-week training course. It was announced last week by Lloyd McBride, director of District 34.

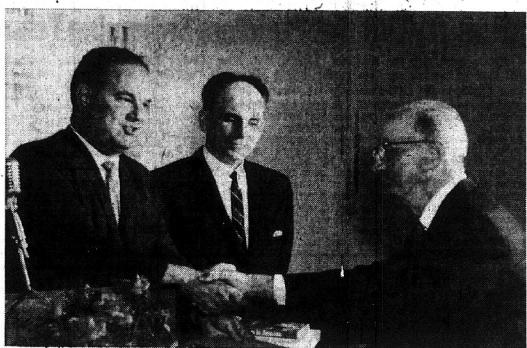

The course consisted of subjects covering shop steward duties and responsibilities, history and structure of the Steelworkers Union, and contract interpretation. The classes were held at the YMCA.

McBride was the principal speaker. He praised the graduates on their willingness to devote time away from their families to attend the training classes.

The graduates and their wives were guests of the local union at the banquet where each graduate was presented with a certificate acknowledging completion of the training course, and a gift of books on Labor history in general and history of the U.S. of America.

Among the affairs were Elvin James, president of Local 1022, Buddy Davis and Clyde Boyd, Steelworker staff representatives, and Paul Simon, Illinois state senator.
